January 25th 1859

Mr Booth

Dear Sir

Mrs Vandenhoff begs me to say that—at present—in consequence of the rain & it would be almost impossible to do any thing with the Spring in Richmond, but—in the Spring of the Year, she would be delighted, if you could accompany her on there tour to examine & ascertain the best manner of obtaining the Waters. Please bear this in mind, & see if you can engage next Spring

Yours truly

Mrs Vandenhoff
